

ARIHANT INDUSTRIES

Precision Matters

Overview

Arihant Industries, founded by Vinodrai Jayantilal Shah in 1967, began its journey in the textile industry, starting with the production of cotton and silk sewing threads under the trademark Chhota Japan. Today, the company has evolved into a trusted name in the precision measurement industry. With over 25 years of experience, Paras Vinodrai Shah leads the business, specializing in the sale, repair, and calibration of high-quality measuring instruments. These instruments include vernier calipers, micrometers, and dial gauges, which are widely used in various industrial sectors such as automobile, aerospace, medical, education, and steel.

What we provide

Sales and Service of all kinds of Measuring instruments including **Calibration** services.

calibrating an instrument

repairing an instrument
